Do you find toyourhealth.com to be of value, not only for yourself, but for your patients as well? Would you like to be able to provide a link to toyourhealth.com from your own site, but you're not sure how to do so?

If that's the case, you're in luck. We have made the process of creating a link on your site back to toyourhealth.com as easy as a few clicks of a button. Simply click and drag your mouse over the HTML code written between the dotted lines below, then select the "copy" feature from your browser's Edit menu. Once you've done this, you can paste the code onto your site, save it, upload the new page, and presto! A link to toyourhealth.com will appear on your site.
