Kangen Water Unit by Enhanced Living USA. - Copyright © Stock Photo / Register Mark **Kangen Water Unit**

by Enhanced Living USA

The Kangen water unit actually "splits water," reducing the size of water molecule clusters down to only 4-6 molecules per cluster instead of 15-18 molecules like tap water or bottled water. This allows the restructured, alkaline water to permeate and hydrate at the cellular level far more effectively, flushing out toxins from the body. *Ask your doctor and visit www.enhancedlivingusa.com.*
